BUSINESS OF THE MONTH

GLADSTONE CHIROPRACTIC GROUP

Dr. Elizabeth Stipisic &

Dr. Kristin Werner

5316B N. Milwaukee Avenue

(773) 774-1041

Gladstone Chiropractic Group was established in 1999. We offer gentle Chiropractic care, Massage therapy, Yoga and Pilates classes. Everyone is welcome.

Chiropractic:

Dr. Elizabeth Stipisic and Dr. Kristin Werner are trained in the use of the Pro-Adjuster to evaluate the motion of the human spine. The Pro-Adjuster uses the same technology and the same instrument that NASA engineers have used in the space program to evaluate the integrity of the cooling tiles on the outside of a space shuttle. We are now able to use this sophisticated technology and apply it to the human body to restore proper function. No more twisting and cracking!

Massage:

We offer Therapeutic massage therapy as well as Pre-natal massage, Thai massage, and Hot Stone massage.

Yoga:

Classes are ongoing. No need to pre-register. All classes are open to beginners. Classes are held every Monday, Tuesday, and Thursday at 7 pm and Wednesday at 7:30 pm. Try one. They are a great way to stretch and relax.

Pilates:

A series of movements designed to strengthen and tone your core muscles. Classes are ongoing and open to everyone. We offer 2 convenient times, Wednesday mornings at 8:00 am and Wednesday evenings at 6:30 pm.

Please call for more details on services or classes. 773-774-1041

We are located at **5316B N. Milwaukee** (next to Blockbuster) Office hours: Monday —Thursday 10-8, Friday 10-2

Put Illinois to Work Program

Put Illinois to Work program is an initiative of Governor Pat Quinn to create jobs throughout Illinois and provide employment experience to those hardest hit by this recession. **Put Illinois to Work** is funded by the State of Illinois and federal funding made available in the Temporary Assistance to Needy Families Emergency Contingency Fund created by the American Recovery and Reinvestment Act of 2009.

Through **Put Illinois to Work**, unemployed and underemployed Illinois residents can be placed into subsidized employment positions for up to six months. Under the subsidized employment model, the wages of the participant are provided by state/federal funding, and the employer must provide supervision and training of the participant for the duration of the placement. The funding expires on September 30, 2010. Therefore all subsidized employment placements must end by that date. For more details go to:
