The Ultimate Networking Event

The September 17 after-hours and networking event at the Irish American Heritage Center was a huge success. Food, spirits and great conversation were enjoyed by all!! More than 400 people attended, representing about 23 different chambers and business organizations. The event provided our members with the opportunity to network with business owners from many other Northwest Side communities. Special kudos to **Eric at 4 Hermanos Restaurant** for providing the food for this event. In addition, all of the executive directors from the different chambers provided our chamber with invaluable assistance in checking everybody in and setup/clean up for this event. This marked the fifth year that the **Gladstone Park Chamber** participated in an after-hours with so many groups.

CHILDREN'S HALLOWEEN PARTY

On Friday, October 30, the Gladstone Park Chamber of Commerce will sponsor a Children's Halloween Party at **The Produce Center** at 5820 N. Milwaukee Ave. from 3:30-5 p.m. Children will receive a treat bag. Parents are encouraged to bring a camera for this very special event as there will be a surprise character. The chamber will not be able to provide pictures. Any business interested in donating items for the children should contact Gail at the Chamber office 773-775-8871.

Sponsored by: **Gladstone Park**, Jefferson Park, Harwood Heights, Portage Park and West Ridge Chambers of Commerce

We are pleased to announce that the **Northwest Network Open** was another huge success!! Fun was had by all that attended this excellent networking event. The weather was perfect and as usual the greens at the Glenview Park Golf Club were challenging.

This event simply would not have been possible without the support of the business's that sponsored this event and also provided golfers.

Congratulations **Dave Wians, State Farm Insurance**, for the lowest scoring foursome second year in a row!!!

Are you interested in improving your property? Is your bungalow footprint crying out for functional space-planning with those inefficient kitchen and bathrooms? Are going Green, preserving the planet and our futures, foremost in your mind? Are you concerned with accommodating children or those aging in place safely? Have the recession and your property values conflicted your home life?

The environment we live in presents us with choices and limitations. Making the right choices can be daunting. What help do you expect to find when you improve your home?

Local expert Helen Stapper, owner and designer for Cabinet Style Studio (CSS) offers qualified assistance. She has 18 years in the remodeling industry and an excellent track record. Clients are cared for personally by someone who understands the details, rather than by an order-taking clerk. The showroom showcases quality products, many at prices comparable to the home centers. Offering up to 40% off on name-brand cabinetry, free local measure and estimates make CSS an asset to your remodeling project. In addition, CSS offers flexibility to your busy work schedule, with off-hour appointments. Accountability and service are part of every product purchase. We all want more value for the time and money invested, and CSS delivers.

This kitchen and bath showroom is consumer-friendly with live and working displays. Fieldstone, Ultracraft, and Wellborn Forest cabinetry take the lead in product offerings. Kohler has honored CSS as a designated product showroom. From Traditional to Transitional to Modern Contemporary, designs to reflect consumer tastes are addressed. This is a full-service one-stop shopping experience. From concept to completion, CSS is responsible and will help make your home dreams come true.

The showroom is open Monday through Friday from 10 a.m. to 6 p.m., and on Saturday 10 a.m. to 1 p.m. We are located on Milwaukee, six blocks south of Superdawg, near Peterson. Please stop in or call for an appointment today. You don't have to suffer through another holiday season with frustrating or depressing environments.
