**Legislative Corner**

We will be listing websites that are pertinent to issues that affect our businesses as well as our personal lives. We will also post these on our website. The various Chamber sites address many of these issues. The Ill General Assembly site allows you to view and track bills, how your legislator voted, who's on what committees and how to contact a legislator. The same can be done with the the City of Chicago, Cook County and Congress sites. It is imperative that we all get involved to voice our concerns. We just had a sales tax increase to bail out the CTA, Cook County wants to increase the sales tax by 2% and the City is taxing bottled water to name only a few of the many issues that are making it more costly to do business.

# BUSINESS OF THE MONTH

## GLADSTONE CHIROPRACTIC GROUP

**Dr. Elizabeth Stipisic &  
Dr. Kristin Werner**  
**5316 N. Milwaukee Avenue**  
**(773) 774-1041**

Gladstone Chiropractic Group was established in 1999. We offer gentle Chiropractic care, Massage therapy, Yoga, Pilates and Bellydancing classes. Everyone is welcome.

### **Chiropractic:**

Dr. Elizabeth Stipisic and Dr. Kristin Werner are trained in the use of the Pro-Adjuster to evaluate the motion of the human spine. The Pro-Adjuster uses the same technology and the same instrument that NASA engineers have used in the space program to evaluate the integrity of the cooling tiles on the outside of a space shuttle. We are now able to use this sophisticated technology and apply it to the human body to restore proper function. No more twisting and cracking!

### **Massage:**

We offer Therapeutic massage therapy as well as Pre-natal massage, Thai massage, and Hot Stone massage.

### **Yoga:**

Classes are ongoing. No need to pre-register. All classes are open to beginners. Classes are held every Monday, Tuesday, and Thursday at 7 pm. Try one. They are a great way to stretch and relax.

### **Pilates:**

A series of movements designed to strengthen and tone your core muscles. Classes run in 6 week series. Wednesday evenings 7pm (beginner) and 6pm (intermediate)

### **Bellydancing:**

A fun way to work-out. Wednesday evenings 8pm
